Financial Aid Information

Incoming Freshman Students

Pope John Paul II High School provides a limited amount of funds each year for student financial assistance. During the 2009—2010 academic year, nearly 25 percent of the students at Pope received financial aid to help their families bridge the gap between what they could afford to pay and what the school charged for tuition and fees.

Parents of students who are applying for admission into the freshman class at Pope are eligible to begin the process of applying for financial assistance at the same time. Incoming freshman applications for admissions are due by December 5, 2009. Incoming freshman applications for financial aid are due by January 8, 2010. Admissions decisions and financial aid decisions for incoming freshman students will be mailed during the week of February 8, 2010.

FACTS Grant & Aid Assessment will conduct a financial need analysis of all applicants seeking financial assistance. A confidential report is then reviewed by the Financial Aid Committee at Pope. The Financial Aid Committee determines the amount of financial aid awards.
